Subject: [Ext] Re: "Please Provide Input: Potential Deferral of Your Upcoming Organizational Review"

Dear Theresa,

A quick consultation with the Senior Leadership Team has resulted in a decision to defer the organisational review of At-Large currently proposed for June 2023 to a much later date. We have undertaken several changes since our last review as part of our own continuous improvement processes and another in the first year of a new Chair would not be seen as convenient. We would appreciate it if the new Chair could be part of the planning of the new round of reviews. Many thanks for allowing us this consideration.

Regards

Maureen
