

Dear Contracted Parties Summit Attendee:

The 2024 CP Summit to be held at the [Hyatt Regency Paris Étoile](#), Paris France 6-9 May is just a week away. We are looking forward to seeing everyone at the welcome reception where we will also celebrate the recent approval of the DNS Abuse Amendments!

**Registration Reminder: Please remember all attendees (in person or virtual) must [register](#) in advance. There is no onsite registration and registration will close on Wednesday, 1 May 2024.** Those registered will receive an email with the zoom links the morning of each event.

The updated [CP Summit and Combating DNS Abuse agenda](#) is now in Sched, similarly to how we manage ICANN main meetings. The zoom links will not be posted in Sched, but the recordings of the open sessions will.

Please contact your account manager or [globalsupport@icann.org](mailto:globalsupport@icann.org) to request a meeting with ICANN staff and for information about remaining sponsorship opportunities.

Additional information is available at <https://www.icann.org/cpsummit>.

We are looking forward to seeing you in Paris!

Thank you,

Andee Hill
