

Amendment No. 2 to Registry Agreement

The Internet Corporation for Assigned Names and Numbers and DotCountry LLC agree, effective as of _____ (“Amendment No. 2 Effective Date”), that the modification set forth in this amendment No. 2 (the “Amendment”) is made to the 19 December 2013 **.country** Registry Agreement between the parties, as amended (the “Agreement”).

1. **Amendment to Agreement.** Effective as of the Amendment No. 2 Effective Date, the Agreement shall be amended as follows:

The parties hereby agree to amend Exhibit A by adding the following new text as a new section 6:

[START NEW TEXT]

“6. Protected Marks List - Uniregistry EP Bundle and Uniregistry EP Plus Bundle

- 6.1.** This protected marks list is a service that, across the TLDs operated by the Registry Operator, allows trademark rights holders to request that the Registry Operator withhold domain names from registration based on the labels listed in a valid SMD file issued by an ICANN-authorized trademark validator.
- 6.2.** The Registry Operator must validate that the SMD is valid at the initial time of withholding domain names. The domain names will continue being withheld for the duration of the agreement between the Registry Operator and the trademark rights holder (through its Registrar), irrespective of the validity date of the SMD.
- 6.3.** The withheld names must comply with the provisions described in Specification 5, Section 3.3 of the Registry Agreement.
- 6.4.** Registry Operator must offer registrars support for the Uniregistry EP service in EPP.
- 6.5.** Blocked labels do not prevent other rights holders of identical trademarks which are subscribers to the service from unblocking the label and registering the domain name.
- 6.6.** As part of the EP Plus Bundle service, domain names that can be withheld from registration by trademark right holders can be composed of confusingly similar variations of their marks in several languages and scripts. For each label in the SMD, variations are automatically calculated based on confusable characters defined by Unicode Consortium for these languages.”

[END NEW TEXT]

The parties agree that, except as set forth in this Amendment and any prior duly authorized and executed amendments, the current terms and conditions of the Agreement will remain in full force and effect. All capitalized terms not defined will have the meaning given to them in the Agreement.
