

## Amendment to Registry Agreements

THIS AMENDMENT (“Amendment”), effective as of \_\_\_\_\_ (“Amendment Effective Date”), is made by and between the Internet Corporation for Assigned Names and Numbers (“ICANN”) and Minds + Machines Group Limited, and shall amend the Registry Agreement for certain top-level domains (“TLDs”) in the manner as further detailed and described herein.

WHEREAS, Minds + Machines Group Limited (i) is party to the Registry Agreements identified in Appendix I (each, a “Registry Agreement”) and (ii) is the Registry Operator of those TLDs identified in Appendix I to this Amendment, which is attached hereto and incorporated herein; and

WHEREAS, in the interest of the mutual of convenience of the parties, in lieu of executing an individual amendment to the Registry Agreement for each individual TLD, the parties hereby desire to consolidate the modifications as provided in this Amendment.

NOW THEREFORE, the parties hereto, intending to be legally bound, hereby do agree to the following:

1. Minds + Machines Group Limited represents it has proper authority to execute this Amendment for the purposes intended.
2. The Registry Agreement for those TLDs identified in Appendix I shall be amended in the manner set forth in Appendix I.
3. The parties hereby agree to amend Exhibit A of each of the Registry Agreements identified in Appendix I by adding the following new text as a new section 7:

[START NEW TEXT]

### **“7. Bulk Transfer After Partial Portfolio Acquisition**

Bulk Transfer After Partial Portfolio Acquisition (BTAPPA) is a registry service available to consenting registrars in the circumstance where one ICANN-accredited registrar purchases, by means of a stock or asset purchase, merger or similar transaction, a portion but not all, of another ICANN-accredited registrar's domain name portfolio in the TLD.

At least fifteen days before completing a BTAPPA, the losing registrar must provide to all domain name registrants for names involved in the bulk transfer, written notice of the bulk change of sponsorship. The notice must include an explanation of how the Whois record will change after the bulk transfer occurs, and customer support and technical contact information of the gaining registrar.

If a domain is transferred under the BTAPPA service during any applicable registry grace period, there is no credit. The expiration dates of transferred registrations are not affected.

Domain names in the following statuses at the time of the Transfer Request will not be transferred in a BTAPPA: "pendingTransfer", "Redemption Grace Period (RGP)", or "pendingDelete". Domain names that are within the auto-renew grace period window are subject to bulk transfer, but Registry Operator may decline to provide a credit for those names deleted after the bulk transfer, but prior to the expiration of the auto-renew grace period window.

Registry Operator has discretion to reject a BTAPPA request if there is reasonable evidence that a transfer under BTAPPA is being requested in order to avoid fees otherwise due to Registry Operator or ICANN, or if a registrar with common ownership or management or both has already requested BTAPPA service within the preceding six-month period.”

[END NEW TEXT]

The parties agree that, except as set forth in this Amendment and any prior duly authorized and executed amendments, the current terms and conditions of the Agreement will remain in full force and effect. All capitalized terms not defined will have the meaning given to them in the Agreement. This Amendment may be executed in counterparts, each of which shall be deemed an original, and all of such counterparts taken together shall constitute one and the same instrument.
