

## Amendment to Registry Agreements

THIS AMENDMENT ("Amendment"), effective as of \_\_\_\_\_ ("Amendment Effective Date"), is made by and between the Internet Corporation for Assigned Names and Numbers ("ICANN") and Amazon Registry Services, Inc., and shall amend the Registry Agreement for certain top-level domains ("TLDs") in the manner as further detailed and described herein.

WHEREAS, Amazon Registry Services, Inc. is the Registry Operator of those TLDs identified in Appendix I to this Amendment, which is attached hereto and incorporated herein, and represents it has proper authority to execute this Amendment for the purposes intended; and

WHEREAS, in the interest of the mutual of convenience of the parties, in lieu of executing an individual amendment to the Registry Agreement for each individual TLD, the parties hereby desire to execute this Amendment, which shall authorize amendment to those Registry Agreements identified in Appendix I in the form and manner as set forth in Appendix II to this Amendment, also attached hereto and incorporated herein.

NOW THEREFORE, the parties hereto, intending to be legally bound, hereby do agree to the following:

1. The Registry Agreement for those TLDs identified in Appendix I shall be amended in the manner set forth in Appendix II.
2. On the registry page for each individual TLD, the form of Amendment set forth in Appendix II shall be completed with the applicable information (e.g., Registry Operator Name, Registry Agreement Effective Date, TLD) and shall be posted in such form.
3. That, notwithstanding the lack of signature to any individual amendment to Registry Agreement for each TLD, the signature of the parties on this Amendment below shall bind the parties to the terms of amendment set forth in Appendix II for each Registry Agreement listed in Appendix I.

The parties agree that, except as set forth in this Amendment and any prior duly authorized and executed amendments, the current terms and conditions of the Agreement will remain in full force and effect. All capitalized terms not defined will have the meaning given to them in the Agreement.

**APPENDIX II**  
**Form of Amendment**

\*\*\*\*\*

**Amendment to Registry Agreement**

The Internet Corporation for Assigned Names and Numbers and Amazon Registry Services, Inc. agree, effective as of \_\_\_\_\_ (“Amendment No. 1 Effective Date”), that the modification set forth in this amendment No. 1 (the “Amendment”) is made to the **<Insert Registry Agreement Effective Date> .<Insert TLD>** Registry Agreement between the parties, as amended (“Agreement”).

The parties hereby agree to amend Exhibit A by adding after the last section thereof entitled “Internationalized Domain Names (IDNs)” the following new text as a new Section 5:

[START NEW TEXT]

**5. Registration Authentication and Customer Discovery Tool**

Registry Operator may offer the Registration Authentication and Customer Discovery Tool service, which verifies eligibility of potential registrants according to Registry Operator's registration policy by providing, receiving, and validating authentication tokens required for the registration of domain names. Registry Operator must support authentication of tokens from registrars via EPP. As part of this Registry Service, the Registry Operator may offer optional customer value products and/or services. The Registry Operator is required to obtain prior approval pursuant to the Registry Services Evaluation Policy, currently available at <http://www.icann.org/en/registries/rsep/rsep.html>, before offering a customer value product or service that is a Registry Service; provided, however, that the offering of a customer value product or service on the Registration Authentication and Customer Discovery Tool will not, in and of itself, cause such a customer value product or service to be a Registry Service.

[END NEW TEXT]

The parties agree that, except as set forth in this Amendment and any prior duly authorized and executed amendments, the current terms and conditions of the Agreement will remain in full force and effect. All capitalized terms not defined will have the meaning given to them in the Agreement.
