Dear Wang Nabil:

Please be advised that as of 6 January 2020, World Biz Domains, LLC's ("World Biz") 2013 Registrar Accreditation Agreement with the Internet Corporation for Assigned Names and Numbers ("ICANN") dated 7 September 2015 ("RAA") is terminated pursuant to Section 5.5.4 of the RAA. The termination shall become effective 22 January 2020, 15 calendar days from the date of this notice.

The termination is due to World Biz's failure to timely cure the breaches by 23 December 2019 as set forth in ICANN's notice of breach of RAA dated 15 August 2019. As of 6 January 2020, the following breaches remains:

1. World Biz's failure World Biz's failure to make registration data and records available upon request by ICANN, as required by Section 3.4.3 of the RAA
2. World Biz's failure to provide domain name data in the specified response format, as required by Section 1.4 of the Registration Data Directory Service (Whois) Specification of the RAA ("Whois Specification") and the Advisory: Clarifications to the Registry and Registrar Requirements for WHOIS (port 43) and Web-Based Directory Services ("Clarifications"); and
3. World Biz's failure to timely pay past due accreditation fees, as required by Section 3.9 of the RAA.

In addition, World Biz has failed to post a prominent notice, with a link to the 30 September 2019 notice of suspension from ICANN, on its web site notifying its users of its inability to create or sponsor new gTLD domain name registrations or initiate inbound transfers of Registered Names during the suspension period, as required by Section 5.7.3 of the RAA.

Additionally, World Biz has continued to exhibit the same pattern of conduct that led to the notice of breach issued against it by ICANN on 15 August 2019, including non-response to ICANN Contractual Compliance. World Biz has also continued to violate provisions of the RAA, its specifications and ICANN Consensus Policies.

Please see the chronology below for additional details.

World Biz is further advised that the logo license granted in the Logo License Specification to the RAA is revoked as of 22 January 2020. Please remove all ICANN trademarks, name and logo from World Biz's website and business materials that have been licensed to World Biz under the terms of that Specification by 22 January 2020.

Domain Name Transition Process

To protect domain name registrants, ICANN will commence the domain name transition process and will solicit bids for a qualified ICANN-accredited registrar to manage the domain names currently managed by World Biz.

ICANN will follow the [De-Accredited Registrar Transition Procedure](#) ("Procedure"). Consistent with the Procedure, please designate a bulk transfer recipient by 13 January 2020 and inform ICANN's Registrar Liaison Team at RegTransition@icann.org.

ICANN reserves all its rights under the RAA. Please note the rights and obligations required to have effect after the expiration of the RAA, including but not limited to Sections 3.4 Retention of Registered Name Holder and Registration Data, 3.9 Accreditation Fees, 5.8 Resolution of Disputes Under this Agreement, and 5.9 Limitations on Monetary Remedies for Violations of this Agreement.

World Biz has current and past due accreditation fees. These fees are required to be paid to ICANN by Section 3.9 of the RAA. Please immediately submit payment to ICANN accounting.
